I really didn't know what to expect when I received Warehouse and Logistics Simulator in a bundle (and thank God it was a bundle, I wouldn't have paid 11.99 for this)! All I can say is what an absolute pile of. I spend eight hours a day moving pallets around with an electric pallet jack, then I come home and do it again with this game.. I didn't think simulator games could get

---

anywise.. The idea was really good. I always wanted to operate a forklift and other machines. But the game, like any other from UIG, is very rough, bad optimized and unfinished.. At work, I think about playing video games. At home, I play video games about work. 12/11, will drink some more.
